

University Council held its session on 31/1/2024

Session Number: Five

:Decision

The University Council, in its session held on 31/1/2024, approved the memorandum submitted by Prof. Dr. Mahmoud Farouk Selim, Vice President of the University for Community Service and Environmental Development Affairs, which included the letters received from the General Authority for Adult Education confirming that Tanta University ranked first among Egyptian .universities participating in the National Literacy Project

The university achieved outstanding results through the participation of its students in literacy efforts, contributing to the education of approximately 150,000 successful learners since the start of the project up to this date, which represents 30% of the total number of literates in .Gharbia Governorate
