

## **A Workshop on Activating Egyptian Knowledge Bank (EKB) on October 29, 2019**

### Digital Library and Automated Library Project

The workshop on activating Egyptian Knowledge Bank (EKB) was held on October 28<sup>th</sup> and 29<sup>th</sup>, 2019 in Conferences Center at Faculty of Medicine at the Medical Campus. The workshop aimed to help researchers benefit from databases and knowledge resources available on EKB. The target audience was academic staff, assistant staff, researchers, postgraduate students and librarians of the University.
