

**Activities of Community Service and Environmental Development  
Sector at Tanta University**

**A Symposium Entitled “Roof Implantation” at Faculty of Science on  
November 18, 2020**

A symposium was organized under the title “Roof Implantation” by Community Service and Environmental Development Sector at Faculty of Science in cooperation with Alumni Following up Unit, Education and Student Affairs Sector, and Department of Botany.

The symposium was lectured by Prof. Amgad Abdel Ghaffar, Professor at Faculty of Agriculture and Manager of HR Development Center, who is expert of agriculture without soil at Ministry of Agriculture in Saudi Arabia in attendance of 30 students from the Faculty.

He talked about different kinds of soilless such as hydroponics, aeroponics, aquaponics and sandponics. In addition, he answered students’ inquiries about growing plants.
