

Activities of Community Service and Environmental Development  
Sector at Tanta University

**A Symposium Entitled “Precautions against COVID-19”**

**Under patronage of:**

Prof. Magdy Sabaa, Tanta University President.

Prof. Emad Etman, University Vice President for Community Service and Environmental Development

Prof. Latifa Fouda, Dean of Faculty of Nursing at Tanta University

Prof. Om Ibrahim Al-Saei, Faculty Vice Dean for Community Service and Environmental Development

Faculty of Nursing organized a symposium under the title “Precautions against COVID-19” in attendance of Prof. Essmat Gomaei, Faculty Vice Dean for Education and Student Affairs, and a group of academic staff, assistant staff, students and administrators from the Faculty as well as some administrators from different governmental organizations.

It is worth noting that the symposium was lectured by Dr. Seham Ahmed Abdel Hay, Assistant Professor at Department of Medical and Surgical Nursing, and Dr. Amany Kamal Abdullah, Lecturer at Department of Medical and Surgical Nursing. They talked about many pivots such as how COVID-19 began, its symptoms, ways of prevention, statistics of infections in the Arab world and in Europe. At the end of the symposium, lecturers answered attendees’ questions.
