

A Comprehensive Environmental Medical Convoy to Dakota Village on July 21, 2019

A Comprehensive environmental medical convoy was sent to Dakota Village in attendance of Prof. Ahmed Zaki Mansour on behalf of Prof. 'Emad 'Etman, University Vice President for Community Service and Environmental Development; Prof. Sahar Mohey Al-Din Hazza', Vice Dean of Faculty of Medicine for Community Service and Environmental Development; and Mr. Ibrahim Fayed, Deputy Chairman of Tanta City Council.

The convoy was inaugurated in attendance of 26 doctors of academic staff from Faculty of Medicine and 2 academic staff members from Faculty of Pharmacy to supervise distributing medicaments that cost 60 thousand pounds. The medicaments were disbursed for free to 1130 patients who visited the convoy to be examined. Eight cases were transferred to University Hospital to be checked and continue treatment for free.
