

A Comprehensive Environmental Medical Convoy to Tenbara Village in Gharbia Governorate on Saturday, June 4, 2019

To affirm the effective role played by the University in community service and environmental development, Tanta University organized a comprehensive environmental medical convoy to Tenbara village in Al-Mahalla district in Gharbia governorate on Saturday, June 4, 2019 under patronage of MG. Engr. Hesham Al-Said, Gharbia Governor; Prof. Magdi Sab', University President; and Prof. 'Emad 'Etman, University Vice President for Community Service and Environmental Development; in cooperation with Gharbia Governorate and related bodies in the governorate namely Al-Mahalla City Council, Education Directorate, Health Affairs Directorate, Social Solidarity Directorate, Veterinary Medicine Directorate, the General Authority for Literacy and Adult Education, and Environmental Affairs Agency.

The convoy was inaugurated by Prof. Ahmed Zaki Mansour, Representative of the University; Prof. Sahar Mohey Al-Din, Vice Dean of Faculty of Medicine for Community Service and Environmental Development; Mr. Mohammed Abdel Aziz Ghazi, General Manager of Environmental Projects at the University; and Mr. Maher Hosny Sa'd, General Manager of Community Service at the University. Medical examination was conducted to 1684 patients from the village.

25 cases were transferred to University Hospital to continue their treatment.
